Alpine Flowers of Vancouver Island

Map-style field guide.

- Hans Roemer

This light, water-proof and tear-proof 51cm x 66cm (20" x 26") duplex, fold out colour photo identification pamphlet is unique in being specifically about Vancouver Island's alpine plants.

Hans Roemer, PhD, brings to this publication more than 35 years of professional experience as a Botanist/Ecologist with the BC Government and as a consultant. Also a mountaineer, Hans' succinct text about the usual habitats of these 86 species is distilled from his years of experience as a field botanist in our Island mountains.
